

FCT::Context::loadTexture

FCT::SingleBufferImage
::resize

FCT::SingleBufferImage::as

```
graph LR; A[FCT::Context::loadTexture] --> C[FCT::SingleBufferImage::as]; B[FCT::SingleBufferImage::resize] --> C;
```

The diagram illustrates a dependency or relationship between three components. On the left, there are two white rectangular boxes with black borders. The top box contains the text 'FCT::Context::loadTexture'. The bottom box contains the text 'FCT::SingleBufferImage' followed by '::resize' on a new line. Two blue arrows originate from the right side of these boxes. The arrow from the top box points to the top-left corner of a gray rectangular box on the right. The arrow from the bottom box points to the top-left corner of the same gray box. The gray box contains the text 'FCT::SingleBufferImage::as'.
