

FCT::Context::submitThread

```
graph LR; A[FCT::Context::submitThread] --> B[FCT::Context::currentFlush]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is filled with a dark gray color and contains the text 'FCT::Context::submitThread'. The right box is white with a thin gray border and contains the text 'FCT::Context::currentFlush'. A solid blue arrow points from the right side of the left box to the left side of the right box, indicating a flow or call from the submitThread function to the currentFlush function.

FCT::Context::currentFlush
