

FCT::DynamicMesh::update

```
graph LR; A[FCT::DynamicMesh::update] --> B[FCT::DynamicMesh::update<br/>IndexData];
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'FCT::DynamicMesh::update'. The right box is gray with a black border and contains the text 'FCT::DynamicMesh::update' on the top line and 'IndexData' on the bottom line.
