The diagram illustrates two function calls originating from the `FCT::VK_FencePool` namespace and pointing to the `FCT::RHI::VK_Fence::destroy` function. The first call, `setDestroyCallback`, is shown in a white box with a blue arrow pointing to the target function. The second call, `VK_FencePool`, is also shown in a white box with a blue arrow pointing to the same target function. The target function, `FCT::RHI::VK_Fence::destroy`, is displayed in a gray box on the right side of the diagram.
