

FCT::VK_Context::transfer
DataToBuffer

FCT::VK_Context::transfer
DataToImage

FCT::VK_Context::endSingle
TimeCommands

```
graph LR; A[FCT::VK_Context::transfer DataToBuffer] --> C[FCT::VK_Context::endSingle TimeCommands]; B[FCT::VK_Context::transfer DataToImage] --> C;
```

The diagram illustrates a control flow where two transfer functions, 'FCT::VK_Context::transfer DataToBuffer' and 'FCT::VK_Context::transfer DataToImage', both lead to a common function 'FCT::VK_Context::endSingle TimeCommands'. The first two functions are in white boxes, while the final function is in a grey box, indicating it is the final step in this sequence.
