```

The diagram consists of three rectangular boxes. On the left, there are two white boxes with black borders. The top box contains the text 'FCT::VertexElement' followed by '::getSize' on a new line. The bottom box contains the text 'FCT::VK_Context::transfer' followed by 'DataToImage' on a new line. On the right, there is a single gray box with a black border containing the text 'FCT::FormatSize'. Two blue arrows originate from the right side of the two white boxes and point towards the left side of the gray box. The top arrow starts from the right side of the top white box and points to the top-left corner of the gray box. The bottom arrow starts from the right side of the bottom white box and points to the bottom-left corner of the gray box.
