

```
FCT::ResourceLayout  
::findSamplerIndex
```

```
graph LR; A[FCT::ResourceLayout::findSamplerIndex] --> B[FCT::StringEquals]
```

A diagram showing a call from the function `FCT::ResourceLayout::findSamplerIndex` to the function `FCT::StringEquals`. The call is represented by a blue arrow pointing from the left box to the right box.

```
FCT::StringEquals
```
