

FCT::RenderGraph::subscribe

```
graph LR; A[FCT::RenderGraph::subscribe] --> B[FCT::IEventSystem::subscribe]
```

A diagram illustrating a function call. On the left, a gray rectangular box contains the text 'FCT::RenderGraph::subscribe'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'FCT::IEventSystem::subscribe'.

FCT::IEventSystem::
subscribe
