```

The diagram illustrates a mapping or inheritance relationship. On the left, there are three white rectangular boxes with black borders. The top box contains the text 'FCT::RenderGraphNode' followed by '::operator==' on a new line. The middle box contains 'FCT::RenderGraphNode' followed by '::RenderGraphNode' on a new line. The bottom box contains 'FCT::RenderGraphNode' followed by '::RenderGraphNode' on a new line. Three blue arrows originate from the right side of these three boxes and point towards a single gray rectangular box on the right. This gray box also contains 'FCT::RenderGraphNode' followed by '::RenderGraphNode' on a new line.
